

## SHOW CONTENT INFORMATION SHEET

- SYNOPSIS:** Tony Award winner and comic mastermind, Neil Simon, brings the iconic characters of Oscar the slob and Felix the clean freak to life in this classic comedy! This hilarious situation of opposites forced to endure together has been copied in many TV shows and movies over the years, but **THE ODD COUPLE** is the original! *“Wildly, irresistibly, incredibly and continuously funny.”-The New York Post*
- AGES:** We recommend this show for ages **10 and up**. However, parents are encouraged to use their own judgement and discretion when choosing shows for children based on their maturity and interest level.
- DETAILS:** The movie rating for the film version of this show is G, but there are some grown-up plot elements such as divorce and contemplation of suicide. Both are handled in a light-hearted manner. True to the time period in which it is set, some outdated stereotypes are evident in some characters. Mild expletives are used. Characters drink and smoke on stage. We use non-tobacco electronic cigarette props.
- LENGTH:** Approximately 2 hours with an intermission.
