

## *Jersey Boys*

### **SHOW CONTENT INFORMATION SHEET**

**SYNOPSIS:**

*Jersey Boys* tells of the rise, the tough times and personal clashes, and the ultimate triumph of a group of friends whose music became symbolic of a generation. Far from a mere tribute concert (though it does include numbers from the popular Four Seasons songbook), *Jersey Boys* gets to the heart of the relationships at the center of the group—with a special focus on frontman Frankie Valli, the small kid with the big falsetto. In addition to following the quartet’s coming of age as performers, the core of the show is how an allegiance to a code of honor learned in the streets of their native New Jersey got them through a multitude of challenges: gambling debts, Mafia threats and family disasters. *Jersey Boys* is a glimpse at the people behind a sound that has managed to endure for over four decades in the hearts of the public.

**AGES:**

We recommend this show for ages 13 and up. However, parents are encouraged to use their own judgement and discretion when choosing shows for children based on their maturity and interest level.

**DETAILS:**

There is some dated, offensive language such as “Wop” and “Colored”. There is some adult language/cursing. There are some dated world views about women, sex, and marriage. There is innuendo about sex and discussion of multiple extramarital affairs. Some characters drink alcohol onstage and alcoholism is insinuated.

**LENGTH:**

Approximately 2 ½ hours with an intermission.
