

SHOW CONTENT INFORMATION SHEET

- SYNOPSIS:** Written by the team that brought us THE DIXIE SWIM CLUB and THE HALLELUJAH GIRLS, this delightful, laugh-a-minute comedy, features four unique Southern women, all needing to escape the sameness of their day-to-day routines, drawn together by fate—and an impromptu happy hour. They decide it’s high time to reclaim the enthusiasm for life they’ve lost through the years. Over the course of six months and through hilarious mis-adventures, these middle-aged women successfully bond and find the confidence to jumpstart their new lives. Together, they discover lasting friendships and a renewed determination to live in the moment—and most importantly, realize it’s never too late to make new old friends.
- AGES:** We recommend this show for ages 10 and up. However, parents are encouraged to use their own judgement and discretion when choosing shows for children based on their maturity and interest level.
- DETAILS:** While this show only has a few curse words in it, the subject matter may not hold the attention of younger children. Much of the dialogue is about middle-aged women and their love lives, including a few jokes about their sex lives. All four women are shown drinking alcoholic beverages on stage. There are a few curse words like “ass” “hell” and “oh my God”, but they are only used once or twice.
- LENGTH:** Approximately 2 1/2 hours with an intermission.
