

## *“Saturday Night Fever”*

### **SHOW CONTENT INFORMATION SHEET**

- SYNOPSIS:** This musical adaptation of the '70s classic film is the story of a talented, streetwise kid from Brooklyn who attempts to escape his dead-end life through dancing. The score is a trip down memory lane and includes many disco-era hits by the Bee Gees. While the backdrop is bleak with racial tension, violence and rebellious teens, Tony finds a way to overcome the tragedies of his neighborhood and keep, “Stayin’ Alive”.
- AGES:** This is an adult themed show. We recommend this show for ages 15 and up. However, parents are encouraged to use their own judgement and discretion when choosing shows for children based on their maturity and interest level.
- DETAILS:** This play contains adult themes and also tackles ‘70s-era sexual promiscuity, misogyny and racial violence. There are discussions and lyrics about the sex lives of the characters and physical and verbal sexual innuendo. Some of the costumes and dancing may be provocative. Like the original movie, the characters curse often and colorfully. While nothing is exposed, there is a scene where male characters act as if they are urinating onstage.
- LENGTH:** Approximately 2 ½ hours with an intermission.
- TICKET OFFICE:** Please make a note in the “Notes” section of the customer file if you have read or given any information to the customer from this sheet.
