

## **SHOW CONTENT INFORMATION SHEET**

- SYNOPSIS:** Mr. Bank's only daughter announces that she is going to get married. From that point on, everything in his life is turned upside down. The doting father faces mountains of bills, financing the increasingly lavish wedding. The guest list grows larger each day, a caterer is called in, florists, furniture movers and dressmakers take over, and the Banks household is soon caught in turmoil—not to mention growing debt. He barely has time to deal with his own concerns much less how his “little girl” has become a grown woman.
- AGES:** We recommend this show for any age. However, parents are encouraged to use their own judgement and discretion when choosing shows for children based on their maturity and interest level.
- DETAILS:** There is no cursing, smoking or drinking on stage. By today's standards if this show were given a movie rating, it would be rated G. As the show is set in the 1950's, some of the humor references outdated gender stereotypes.
- LENGTH:** Approximately 2 hours with an intermission.
